Message from Susannah Connell (CEO)

Thank you for considering a role at one of our schools.

If you have any questions about the role advertised please do not hesitate in contacting a member of our HR team – their details are on the following pages.

I am thrilled to be the founding CEO of The Diamond Learning Partnership Trust and have over 20 years of primary education experience. I began my career as a classroom teacher, working with children of all ages, and have also used my expertise to train and support teaching staff at other schools together with working with undergraduate students in local universities.

Since becoming a Headteacher in 2006, I was brought into a failing school by the Local Authority, and have since developed a bold curriculum at Middlefield which has been highly praised as “beyond outstanding” by inspectors. During early 2012, Middlefield took on the direct support of Winhills Primary School and was again praised for the positive impact and strong leadership in an Ofsted inspection two months later.

The Diamond Learning Partnership Trust was then formed in the Summer of 2012 with Middlefield and Winhills Primary Academies as the founding schools.

I am a National Leader of Education and Ofsted Inspector, as well a representative on the Cambridgeshire Primary Heads Association, a member of the Cambridgeshire School Improvement Board, and represent primary academies as the Chair of the Cambridge Primary Academies Forum.

As a National Leader of Education, I support schools and Trusts in developing a self-improving, school-led system which ultimately leads to equality of access to a greater education for all children.

However, first and foremost, I am a teacher. I still hold the beliefs that I had when I chose to enter the profession and every decision I make focuses on the impact on children and I’ve seen first-hand the success that can be achieved through school-to-school collaboration.

Our Trust began with the sole purpose of supporting some of the most challenged primary schools in England. Our focus then, and now, has been to ensure that our children have an education that meets their needs through schools and have the support and systems that enable them to achieve those goals.

We have successfully built a family of highly connected schools that learn from each other.

I wish you well with your application.
